PROGRAM DESCRIPTION

The Bachelor of Secondary Education major in English is designed to equip students with the basic and specialized knowledge and skills necessary in their practice as professional secondary school teacher. The design features various components such as foundational general education, teaching and learning skills, methodological skills, experiential knowledge and skills, professional and ethical values, and subject matter knowledge appropriate to the level of teaching.

The program aims to produce graduates who will be professionally competent, morally upright, and socially responsible contributors to national development.

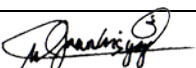

The curriculum is based on the standards set by the Commission on Higher Education (CHED) and is benchmarked from the curricula of leading academic institutions, national and international, offering similar programs.

PROGRAM OBJECTIVES

- The program leading to the degree of Bachelor of Secondary Education major in English the following objectives:
1. To enable students to obtain a comprehensive knowledge and deep understanding of the field of secondary education;
 2. To enable students to acquire the theoretical and practical skills needed to be globally competitive and nationally certified Secondary School Teacher in English;
 3. To enable students to get a broad liberal education in the arts and letters, social sciences and philosophy, natural science and mathematics;
 4. To enable students to get a broad teaching education that includes concepts and ideas included in curriculum development, instruction, and assessment;
 5. To enable students to gain an entry-level teaching position in the public or private sector and/or pursue graduate study.
 6. To enable students to develop the cultural sensitivity, ethical responsibility, and social consciousness needed to become upright citizens of the Philippines and the world.

CAREER PATH

The graduates of Bachelor of Secondary Education major in English may find employment as public or private secondary school teacher.
